

Parents Weekly Internet Activity Report

Plainview Schools will be sending out an internet activity report to parents for students in grades 6-12. This report will be sent weekly by email each Sunday and will show internet activity usage on the students' school issued laptop including search queries, top websites, blocked websites and usage times. The usage times are broken into 4 categories :

Before School : 5am to 8am

During School : 8am to 4pm

After School : 4pm to 8pm

Late Night : 8pm to 5am

How do I receive the report ?

The report will be sent to the e-mail address you have registered with WenGage, the district student information system. The report will show it is from Relay with the email address do_not_reply@lightspeedsystems.com. The report is emailed once a week on Sunday.

How do I add/update my email address?

You can email judley@plainview.k12.ok.us to add or update your e-mail address.

What if I don't receive the report?

Please check your spam/junk e-mail folder if you don't see the report in your inbox. If you still do not see it, contact the school office to verify your email address is accurate in the student information system.

I have more than one child, will I receive multiple reports?

Yes, you will receive an email for each student you have enrolled in grades 6-12. The subject line in the email will read "How (Students Name) Used the Internet This Week"

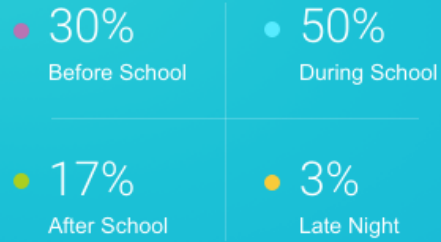

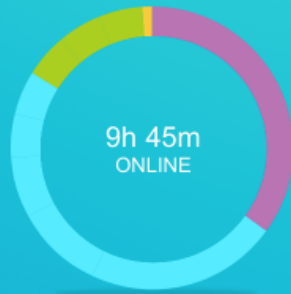

What if I see something on the report that is a concern?

Please contact your building principal to discuss this further.

What does the report look like?

Here is a sample of what the report will look like :
